ABOUT US

The King Rashid International College of Aeronautics (KRI COLLEGE) is an institution that strives to provide quality education and holistic development to students. Located in Madurai, Tamil Nadu, KRI College is known for its commitment to academic excellence, fostering creativity, and nurturing leadership skills. It offers undergraduate and postgraduate programs in Aviation fields, with an emphasis on providing both theoretical and practical knowledge to students.

Vision of KRI College, Madurai:

To be a premier institution that empowers students with knowledge, skills, and values, fostering academic excellence, personal growth, and leadership to contribute to society and the nation.

Mission of KRI College, Madurai:

- 1. Academic Excellence :** To provide a rigorous and dynamic learning environment that promotes intellectual curiosity, critical thinking, and innovation across a wide range of disciplines.
- 2. Holistic Development:** To ensure the overall development of students through a balanced approach, including extracurricular activities, sports, and cultural initiatives, fostering leadership, character building, and social responsibility.
- 3. Industry-Relevant Education:** To bridge the gap between academic learning and real-world application by collaborating with industries, offering internships, and providing career guidance to prepare students for the workforce.
- 4. Community Engagement:** To nurture a spirit of social responsibility and community service, encouraging students to actively contribute to the betterment of society.
- 5. Inclusive and Supportive Learning Environment:** To create an inclusive, supportive, and resource-rich environment where students from diverse backgrounds feel motivated, respected, and empowered to achieve their full potential

Founder's Message

Dear Students and Aspiring Aviation Professionals, It gives me immense pleasure to welcome you to The King Rashid International College, a gateway to your dreams in the ever-growing world of aviation. Since our inception, we have been committed to shaping the future of the aviation industry by equipping young minds with the knowledge, skills, and confidence to excel in this dynamic and exciting field.

The aviation sector is not just about flying; it is about connecting the world, fostering innovation, and ensuring safety and excellence in every aspect. At The King Rashid International College, we believe in empowering our students to become leaders and pioneers who contribute meaningfully to the aviation industry.

Our programs are meticulously designed to meet global standards, combining theoretical knowledge with hands-on practical training. With state-of-the-art infrastructure, experienced faculty, and a curriculum aligned with industry requirements, we prepare our students for rewarding careers in airlines, airport management, aircraft maintenance, and beyond.

We take immense pride in our strong industry partnerships, which allow us to provide placement opportunities with leading airlines, airport operators, and aviation organizations. Our focus on holistic development ensures that our graduates possess not only technical expertise but also the soft skills and professionalism that are critical to succeeding in this competitive field.

As you embark on this transformative journey with us, I encourage you to dream big, stay committed, and strive for excellence. The sky is not the limit; it is only the beginning. Together, let us soar to new heights and shape a brighter future for the aviation industry.

Welcome aboard!

Er. K. Jaffer Sheriff, AME.,

COURSES OFFERED

B.Sc., Aviation

B.Sc. Aviation is a three-year course that trains students in aircraft operations, Navigation, Meteorology, and Aviation safety, preparing them for careers in Flying, Airport Management, and Air Traffic Control.

Eligibility : 10th, +2 PCM (Just Pass)

B.Sc., AMS

B.Sc. Aircraft Maintenance Science is a three-year course that trains students in aircraft systems, maintenance, repair, and safety protocols, preparing them for roles in aircraft maintenance engineering and quality control.

Eligibility : 10th, +2 PCM (Just Pass)

BBA/MBA AAM

BBA Airline and Airport Management is a three-year program that focuses on business operations, airport logistics, aviation laws, and customer service, preparing students for managerial roles in the aviation industry.

Eligibility : 10th, +2 Non-PCM (Just Pass)

CPL

* CPL (Commercial Pilot License) is a professional license that certifies pilots to operate aircraft commercially, allowing them to work as pilots for airlines, charter services, and cargo flights. It requires flight training, exams, and a specified number of flying hours.

AME

* AME (Aircraft Maintenance Engineering) is a specialized program that trains individuals to inspect, repair, and maintain aircraft to ensure airworthiness. It is a licensed course approved by aviation authorities and focuses on aircraft systems, engines, avionics, and safety regulations.

RTR

* RTR (Radio Telephony Restricted) is a certification issued by the Ministry of Communications that permits pilots and aircraft maintenance engineers to operate aircraft radio communication systems legally. It is essential for effective air-to-ground communication in aviation.

AIR HOSTESS

Air Hostess is a flight attendant responsible for passenger safety, comfort, and in-flight services. The role includes greeting passengers, conducting safety checks, serving meals, and managing emergency situations, requiring training in hospitality, communication, and first aid.

See.. What your seniors say..!

"Hi, I am Karthick from KRI College
Currently I am Studying BBA (AAM) @ KRI.
I am very happy to study here.
I suggest all to study here and Future Bright"

"Awesome college.! College with good values.
I am Venkat in Final year of BBA(AAM)
& I am from KRI College, Madurai. I love & have
passion towards aviation. So I opted for the course of
BBA.AAM at KRI COLLEGE. I feel very glad to
speak about this college and the college always thinks
about innovative ideas to provide better education
to students".

I Am Nikithan, I did my BBA., AAM from
KRI College, Madurai. I am in 3rd Semester
BBA., AAM in KRI College. I went to college through
CET and the infrastructure is good. Also it was a
nearest college from my home. Overall the college is
good and I am very happy to be part of the big
KRI family"

"I am Karthikeyan, Final year student & feel proud to be
here KRI college is the best Aviation college in Tamilnadu.
There's good placement opportunities all the Students
and students also get multiple job offers.
About 80 to 100 placement drives happen every year.
Lots of Opportunities for Students and the placement
ratio is above 90%".

ON JOB TRAINING

यह किंग रशीद इंटरनेशनल इंस्टीट्यूट THE KING RASHID INTERNATIONAL INSTITUTE தி கிங் ரஷித் இன்டர்நேஷனல் இன்ஸ்டிடியூட்

ABOUT

Being located in the center of Tamilnadu , it is widely recognized for its progressive approach and commitment towards excellence in training and quality control. Distinction and training are the twin hallmarks of our philosophy with our mission of developing higher levels of employability skill of our students by keeping them abreast with sophisticated and latest generation technology synchronized with rapidly growing aviation industry.

INFRASTRUCTURE

The well planned building with beautiful architecture developed in 11,000 sq. ft. area, well fit and air- conditioned class rooms having OHP and LCD projector, workshops equipped with modern electronic devices for training conduction in mechanical stream. A well stocked library, ample parking space, spacious lobbies and a hall for indoor games are associated amenities.

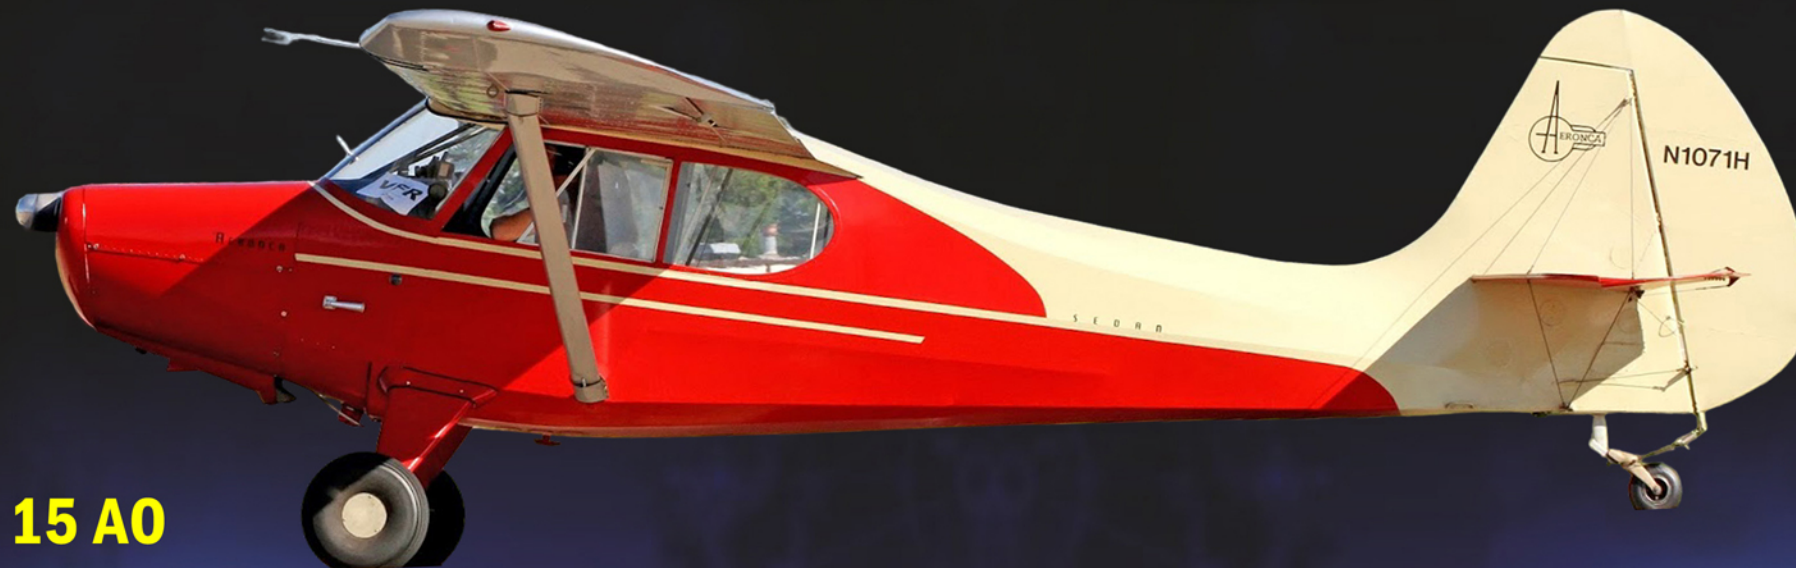

HANGAR

The 2,500 Sq. ft. hangar is the most attractive feature of the Institute glamorized with Aeronca Sedan 15 A0

The King Rashid International College Of Aeronautics, Madurai is one of the most highly rated and prestigious institute in India functioning under the guidelines issued by Alagappa University.

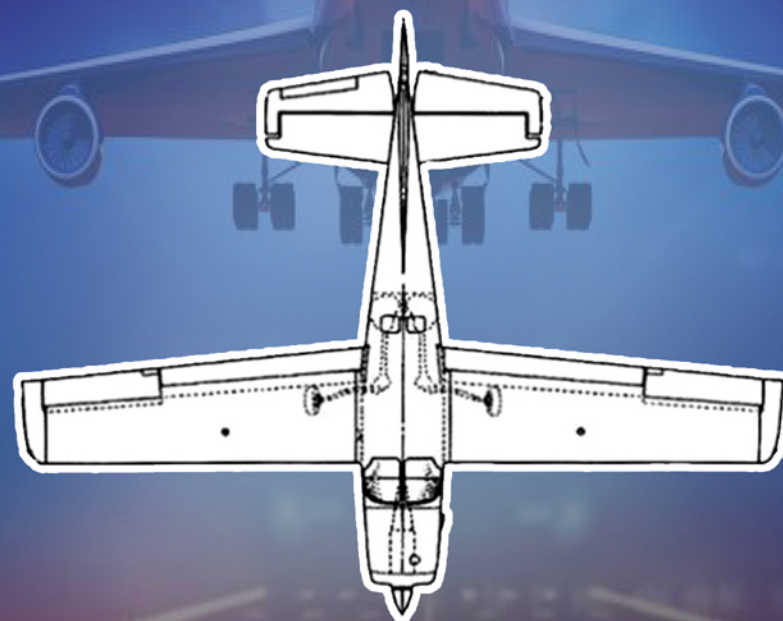

OUR FLEET

AERONCA SEDAN 15 A0

THE AERONCA SEDAN 15A0 IS A CLASSIC FOUR-SEAT, HIGH-WING AIRCRAFT PRODUCED IN THE LATE 1940S. IT BECAME POPULAR FOR ITS SPACIOUS CABIN, STABLE HANDLING, AND SUITABILITY FOR BUSH FLYING AND RECREATIONAL USE. THOUGH PRODUCTION WAS SHORT-LIVED, THE SEDAN REMAINS WELL-REGARDED AMONG VINTAGE AIRCRAFT ENTHUSIASTS. ITS ENDURING RELIABILITY AND SIMPLE DESIGN HAVE KEPT MANY IN SERVICE, SYMBOLIZING THE GOLDEN ERA OF POST-WAR AVIATION.

MODERN INFRASTRUCTURE

The institute's Avionics Lab, Airframe shop and Engine shop is worth of pride as it not only includes the latest indigenously built test equipment for checking and testing sophisticated avionics equipments but also includes item/equipments from AIRBUS series to give the student an in-depth view of items/equipments of the latest aircraft.

RECREATIONAL ACTIVITIES

As a way of relaxing from the rigors of academic life, we encourage students to engage in various forms of extracurricular activity. This is deemed a way of promoting student mental and physical wellness to make them socially confident.

INTERNSHIP OPPORTUNITY

Offered by KRI College

At KRI College, we believe in bridging the gap between academic learning and real-world experience. That's why we are proud to offer our students exclusive internship opportunities at leading international airports.

Through this program, students gain first-hand exposure to airport operations, aviation management, customer service, logistics, and international protocols — all within a fast-paced global environment.

Key Highlights:

- Hands-on experience in a dynamic international airport setting
- Mentorship by experienced aviation professionals
- Insight into ground handling, passenger services, cargo operations, and more
- Networking opportunities with industry experts
- A stepping stone toward a global career in aviation, hospitality, or logistics

This internship reflects our commitment to producing industry-ready graduates equipped with both theoretical knowledge and practical expertise.
